

14 December 2012

In view of improved security conditions in Israel and Gaza as a result of the ceasefire agreement between Israel and Hamas, the DFA Travel Advisory issued on 23 November 2012, which advised Filipinos to defer travel to Gaza and central and southern Israel in view of the Israel-Hamas conflict, is now lifted.

Alert level 2 (Restriction Phase) for central and southern Israel and Alert level 4 (Evacuation/Mandatory Repatriation) for Gaza raised last November 20 are likewise lifted.
