

DFA-OAVS, COMELEC-COAV and TFC Representatives.

18 March 2013 - Last January the Department of Foreign Affairs – Overseas [Absentee] Voting Secretariat (DFA-OAVS), the Commission on Elections (COMELEC) and The Filipino Channel (TFC) had an exploratory meeting to further enhance overseas voting awareness abroad. The said meeting took place at the COMELEC's main office in Manila. The meeting focused on how to further enhance overseas voting awareness to increase voter participation in the upcoming 2013 national elections.

TFC previously partnered with the DFA and COMELEC during the overseas voting registration that gave a boost to the two agencies' vigorous information drive carrying the campaign slogan, YOUR VOTE ... is our future ... (BOTO NYO ... kinabukasan namin ...) through the dynamic

and innovative efforts of Philippine Foreign Service Posts (FSPs), DFA Regional Consular Offices (RCO's), partner agencies as well as other important overseas voting stakeholders.

TFC in close coordination with the DFA and COMELEC produced a Public Service Announcement (PSA) featuring COMELEC Chairman *Sixto S. Brillantes Jr.* and DFA-OAVS Chairman *Undersecretary Jose S. Brillantes* with stars Piolo Pascual, Sam Milby, Eric Santos, Randy Santiago, Boy Abunda and Pokwang which is aired on TFC via cable, satellite, video-on-demand, online and other mediums in the United States (US), Japan, Canada, the Middle East, the Asia Pacific, Europe, Australia and Hong Kong.
